

Appendix B: Passenger Transportation Projects

MaineDOT remains committed to development of an integrated passenger transportation system and will continue to make investments in modes of transportation that will reduce the State's dependency on the private automobile. Investments will be made in Aviation, Marine, Rail, Intermodal, Transit, and Bicycle/Pedestrian facilities. The list below provides selected projects and is not a comprehensive list.

Municipality	Mode	Scope
Division 1		
Caribou	Airport	Remove Obstructions, Construct Taxiway, Expand Apron, Resurface Runways
Frenchville	Airport	Remove Obstructions
Houlton	Bike/Ped	Meduxnekeag Riverfront Crossing
Limestone	Airport	Loring - Arch Hangar Improvements
Presque Isle	Airport	Construct Hangar, Reconstruct Main Runway
Regional	Transit	Continued Vehicle Replacement Program & Expansion for Economic Development
Division 2		
Bangor - Trenton		Implementation of Transportation Alternatives Study Recommendations
Deblois	Airport	Construct Apron and Taxiway, Remove Old Pavement
Eastport	Airport	Remove Obstructions, Reconstruct Main Taxiway, Improve Terminal Area
Ellsworth - Calais	Bike/Ped	Continued Downeast Trail Development
Machias	Airport	Relocate Terminal Area
Mount Desert Island	Bike/Ped	Continued Implementation of Mount Desert Island Bicycle Plan
Mount Desert Island	Transit	Island Explorer Fleet Expansion
Princeton	Airport	Expand Terminal Apron, Purchase Snow Removal Equipment
Swans Island	Marine	Pier Replacement
Trenton	Airport	Reconstruct Runway 17-35, Expand General Aviation Apron, Expand Terminal Building, Expand Snow Removal Equipment Storage Building
Trenton	Intermodal	Joint Intermodal Facility with National Park Service and Town of Trenton
Regional	Transit	Continued Vehicle Replacement Program & Expansion for Economic Development

Passenger Transportation Projects		
Municipality	Mode	Scope
Division 3		
Bangor	Airport	Reconstruct Portions of Terminal Apron, Purchase Snow Removal Equipment, Expand Snow Removal Equipment Storage Building, Update Master Plan
Bangor	Intermodal	Development of Intermodal Facility at Bangor International Airport
Bangor	Intermodal	Development of Intermodal Facility at Bangor Waterfront
Bangor - Trenton		Implementation of Transportation Alternatives Study Recommendations
Brewer	Bike/Ped	Penobscot Landing Trail
Brewer		Waterfront Development
Dexter	Airport	Remove Obstructions, Install Medium Intensity Runway Lights
Greenville	Airport	Reconstruct Main Runway, Construct Parallel Taxiway, Improve Terminal Area
Greenville	Bike/Ped	Greenville Junction Trestle Bypass
Greenville	Rail	Develop Rail Station
Lincoln	Airport	Remove Obstructions, Improve Runway Safety Areas, Construct Parallel Taxiway, Construct Security Fencing, Construct Aircraft Hold Areas, Construct Snow Removal Equip. Storage Building
Millinocket	Airport	Improve Runway Safety Areas, Replace Approach Lighting System, Purchase Land, Reconstruct Terminal Apron
Old Town	Airport	Improve Runway Safety Areas, Remove Approach Obstructions, Construct Aircraft Hold Areas, Construct Parallel Taxiway, Relocate Seaplane Base Facilities
Regional	Transit	Continued Vehicle Replacement Program & Expansion for Economic Development
Division 4		
Augusta	Airport	Construct partial Parallel Taxiway
Augusta - Gardiner	Bike/Ped	Completion of Kennebec River Rail Trail
Jackman	Airport	Reconstruct Runway, Remove Obstructions, install Automated Weather Observation System (AWOS), Construct Snow Removal Equipment Storage Building

Passenger Transportation Projects		
Municipality	Mode	Scope
Division 4 Continued		
Norridgewock	Airport	Reconstruct Runway 15-33, Reconstruct Taxiways and Apron, Expand General Aviation Apron
Skowhegan	Bike/Ped	Swinging Bridge Rehabilitation
Waterville	Airport	Construct General Aviation Apron, Reconstruct Runway 14-32, Construct Snow Removal Equipment Storage Building
Waterville	Bike/Ped	Kennebec Messalonskee Trail System
Winthrop	Bike/Ped	Downtown Sidewalks
Regional	Transit	Continued Vehicle Replacement Program & Expansion for Economic Development
Division 5		
Bath	Intermodal	Rail Station Restoration
Bath	Marine	Waterfront Facility
Bath - Brunswick	Bike/Ped	Feasibility of Connecting to Androscoggin River Bikeway
Belfast	Airport	Reconstruct Runway, Clear Obstructions, Replace Runway Lighting System, Construct General Aviation Apron and Partial Parallel Taxiway
Brunswick - Rockland	Rail	Extension of Passenger rail Service
Brunswick - Topsham	Bike/Ped	Swinging Bridge Rehabilitation
Islesboro	Marine	Replace Transfer Bridge
Lincolnville	Marine	Replace Transfer Bridge
Newcastle	Intermodal	Rail Station Facility
Owls Head	Airport	Construct New Terminal Building, Reconstruct Runway 3-21, Construct Parallel Taxiway
Rockland	Marine	Rehabilitation of Rockland Pier
Rockland	Marine	Maine State Ferry Service Vessel Replacement
Rockland	Transit	Transit System to Support Rail Service
Rockland	Intermodal	Rail Station Restoration
Rockland	Intermodal	Intermodal Rail/Marine Facility
Wiscasset	Airport	Improve General Aviation Apron, Install Nav aids, Construct Parallel Taxiway
Wiscasset	Intermodal	Rail Station Facility
Regional	Transit	Continued Vehicle Replacement Program & Expansion for Economic Development

Passenger Transportation Projects		
Municipality	Mode	Scope
Division 6		
Biddeford	Airport	Remove Obstructions, Construct Security Fencing, Reconstruct Runway, Reconstruct Taxiway and Apron
Brunswick	Rail	Rail Station
Brunswick	Transit	Transit System to Support Rail Service
Freeport	Rail	Passenger Rail Facility
Freeport	Transit	Transit System to Support Rail Service
Kittery - So. Portland	Bike/Ped	Continued Eastern Trail Development
Portland	Airport	Rehabilitate Taxiways, Construct New Aircraft Rescue & Firefighting (ARFF) Station, Expand Terminal Ramp, Reconstruct General Aviation Ramp
Portland	Marine	Casco Bay Island Transit District Vessel Replacement
Portland	Marine	Terminal Improvements
Portland	Rail	Union Branch Relocation
Portland	Transit	Compressed Natural Gas Refueling Station
Portland	Transit	Conversion of Transit Fleet to Compressed Natural Gas
Portland	Transit	Facilities Improvements - METRO
Portland - Brunswick	Rail	Extension of Passenger Rail Service
Sanford	Airport	Reconstruct and Light Taxiways C and D, Reconstruct Runway 7-25
Standish - Fryeburg	Bike/Ped	Continued Mountain Division Trail Development
Wells	Bike/Ped	Rt. 1 Downtown Sidewalks
Yarmouth	Bike/Ped	Beth Condon Phase III
Yarmouth	Intermodal	Intermodal Rail Facility
Regional	Transit	Continued Vehicle Replacement Program & Expansion for Economic Development

Passenger Transportation Projects		
Municipality	Mode	Scope
Division 7		
Auburn	Intermodal	Passenger Intermodal Facility at Auburn-Lewiston Airport
Auburn	Bike/Ped	Longley Bridge Underpass
Auburn-Lewiston	Airport	Remove Runway Obstructions, Rehabilitate Taxiways, Construct Parallel Taxiway, Reconstruct East Apron
Bethel	Airport	Expand Terminal Apron, Purchase Snow Removal Equipment
Carrabasset Valley	Airport	Expand General Aviation Apron
Fryeburg	Airport	Construct Snow Removal Equipment Storage Building, Construct Parallel Taxiway, Reconstruct and Expand General Aviation Apron
Lisbon	Bike/Ped	Lisbon Trail Extension
Oxford	Airport	Rehabilitate Runway Surface, Reconstruct General Aviation Apron
Rangeley	Airport	Expand Terminal Apron, Rehabilitate Runway Surface
Regional	Transit	Continued Vehicle Replacement Program & Expansion for Economic Development
